1. I am the managing partner with the firm of Fernandez & Associates LLP, 1047 El Camino Real, Suite 201, Menlo Park, CA 94025.
2. I am registered to practice before the U.S. Patent and Trademark Office and my registration number is 34,160.
3. I am a listed patent attorney for the above-cited Patent Application that was filed with the U.S. Patent and Trademark Office.

4. On 8/1/2006 I received a Notice Regarding Drawings mailed on 7/25/2006 from the Office.
5. Due to a docketing error, I was unaware that that Notice had a deadline associated with it and as a result a response to this Notice was not filed within the statutory period for reply.
6. A Notice of Allowance and fees due was mailed from the Office on 6/12/2006 and was promptly paid on 9/12/2006.
7. A Notice of Abandonment was mailed from the Office on 11/02/2006. A Petition to Correct Date of Transmission Under 37 C.F. 1.8 was filed with the Office under the belief that the Abandonment of the application was due to a docketing error at the Office.
8. I became aware of the Notice Regarding Drawings and our docketing error upon receipt of the dismissed above-mentioned petition mailed from the Office on 12/11/2006.
9. I hereby petition seeking revival under 37 CFR 1.137 within two months from 12/11/2006.
10. I declare further that all statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment.

Respectfully submitted,

Dennis Fernandez
